

UKTI Electronics Mission to India

Bangalore, Pune and New Delhi

21 – 25 February 2011

Featuring:

UKTI invite you to join a delegation of UK electronics companies at India's largest event in the electronic systems design and manufacturing market - **The Indian Semiconductors Association (ISA) Vision Summit**, taking place on 21 and 22 February 2011 in Bangalore. This major event attracts over 400 Indian companies and international visitors. UK companies have been invited to attend following a recent ISA delegation to the UK in December 2010, led by Sachin Pilot, the Indian Minister of State for Communications.

Our programme then features visits to Pune and New Delhi. The mission will help raise your company profile in India and gather the latest intelligence on the expanding Indian market. The cost of joining the mission is £250 (inclusive of VAT).

Benefits of attending include:

- **One-to-one meetings with Indian semiconductor companies including KPIT, Mahindra, Moser Baer, Wipro, Tata, SuKam, Bharat Electronics.**
- **Attendance at ISA Vision Summit**
- **Attendance at ISA Gala Dinner on 21 February**
- **Attendance at UK Forum on 22 February**
- **Visits to India's major electronic clusters in New Delhi and Pune**
- **Networking receptions in Bangalore, New Delhi and Pune**

This mission is aimed at the following UK companies :

- Embedded systems
- Semiconductor / Electronic systems design
- Solar photovoltaic
- Clean technology
- Electronics for automotive, healthcare and mobile communications
- Defence electronic systems
- Security and surveillance technologies
